ITEM FOR COUNCIL CONSIDERATION:
Consideration of the approval of the revision of a lease agreement between the City of Richfield and the United States Postal Service for the use of fourteen parking spaces in the lower parking lot of the Wood Lake Nature Center.

EXECUTIVE SUMMARY:
The United States Postal Services operates a post office in Richfield located at 825 West 65th Street. This post office is in need of additional parking for employees and postal delivery vehicles. Wood Lake Nature Center is within walking distance of the Richfield Post Office and has the capacity to accept additional parking in the lower lot. The Postal Service has had this parking arrangement with the City for two years and no issues were reported.

The new agreement will commence on August 1, 2017, and will be in effect for two years. Under the agreement, the Postal Service will park their vehicles in fourteen marked parking spaces in the lower lot. Postal employees will swap parking spaces during operating hours. The Postal Service will pay rent for the parking spaces in the amount of $10,080 the first year, and $10,382 the second year.

RECOMMENDED ACTION:
By Motion: Approve the revised lease agreement between the City of Richfield and the United States Postal Service for the use of fourteen parking spaces at the Wood Lake Nature Center from August 1, 2017, to July 31, 2019, in the amount of $10,080 the first year, and $10,382 the second year.

BASIS OF RECOMMENDATION:

A. HISTORICAL CONTEXT
- On February 28, 2017, City Council approved a lease renewal with the United States Postal Service for the use of fourteen parking spaces at the Wood Lake Nature Center from August 1, 2017, to July 31, 2019, in the amount of $10,080 the first year, and $10,382 the second year.
- The lease was never executed by the Postal Service due to a request to modify the agreement by the Postal Service as follows:
  - Section 6: Provisions:
  - Previous language: A. Landlord shall maintain parking lot, including but not limited to
paving, sealing, snow removal, and lighting.
- USPS Required Language: “The Landlord shall be responsible for maintenance of the
demised premises. The responsibility of the Landlord as stated herein will be fulfilled at
such time and in such manner as the Postal Service considers necessary to keep the
Premises in proper condition during the Ground Lease term. Landlord shall be responsible
for all other maintenance not listed above that is necessary to keep the Premises in proper
condition.”
- The Postal Service has had this lease agreement with the City for the past two years, paying rent
for the same number of parking spaces as indicated in the renewed agreement.
- No issues have been reported and the arrangement has worked without incident for Wood Lake
Nature Center and the Richfield Post Office.

B. POLICIES (resolutions, ordinances, regulations, statutes, etc):
- City Council considers and executes these types of agreements for the City by policy.

C. CRITICAL TIMING ISSUES:
- The renewal date for the revised parking lot lease is August 1, 2017.

D. FINANCIAL IMPACT:
- The financial impact of this item is favorable to the Wood Lake Nature Center by providing a new
revenue source from the rental of parking spaces in the amount of $10,080 the first year, and
$10,382 the second year.

E. LEGAL CONSIDERATION:
- The City Attorney has reviewed the attached agreement and will be available to answer questions.

ALTERNATIVE RECOMMENDATION(S):
- Council may reject the attached agreement and forgo the additional rental revenue.

PRINCIPAL PARTIES EXPECTED AT MEETING:
None

Any assignment or reassignment must cover all amounts payable and must not be made to more than one party, except that assignment or reassignment may be made to one party as agent or trustee for two or more parties participating in financing this contract. No assignment or reassignment will be recognized as valid and binding upon the Postal Service unless a written notice of the assignment or reassignment, together with a true copy of the instrument of assignment, is filed with:

1. the contracting officer; and
2. the surety or sureties upon any bond.

c. Assignment of this contract or any interest in this contract other than in accordance with the provisions of this clause will be grounds for termination of the contract for default at the option of the Postal Service.

j. The Landlord must proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the contracting officer.

9. HAZARDOUS/TOXIC CONDITIONS CLAUSE

“Asbestos containing building material” (ACBM) means any material containing more than 1% asbestos as determined by using the method specified in 40 CFR Part 763, Subpart E, Appendix E. "Friable asbestos material" means any ACBM that when dry, can be crumbled, pulverized, or reduced to powder by hand pressure.

The Landlord must identify and disclose the presence, location and quantity of all ACBM or presumed asbestos containing material (PACM) which includes all thermal system insulation, sprayed on and troweled on surfacing materials, and asphalt and vinyl flooring material unless such material has been tested and identified as non-ACBM. The Landlord agrees to disclose any information concerning the presence of lead-based paint, radon above 4 pCi/L, and lead piping or solder in drinking water systems in the building, to the Postal Service.

Sites cannot have any contaminated soil or water above applicable federal, state or local action levels or undisclosed underground storage tanks. Unless due to the act or negligence of the Postal Service, if contaminated soil, water, underground storage tanks or piping or friable asbestos material or any other hazardous/toxic materials or substances as defined by applicable Local, State or Federal law are subsequently identified on the premises, the Landlord agrees to remove such materials or substances upon notification by the U. S. Postal Service at Landlord's sole cost and expense in accordance with EPA and/or State guidelines. If ACBM is subsequently found which reasonably should have been determined, identified, or known to the Landlord, the Landlord agrees to conduct, at Landlord’s sole expense, an asbestos survey pursuant to the standards of the Asbestos Hazard Emergency Response Act (AHERA), establish an Operations and Maintenance (O&M) plan for asbestos management, and provide the survey report and plan to the Postal Service. If the Landlord fails to remove any friable asbestos or hazardous/toxic materials or substances, or fails to complete an AHERA asbestos survey and O&M plan, the Postal Service has the right to accomplish the work and deduct the cost plus administrative costs, from future rent payments or recover these costs from Landlord by other means, or may, at its sole option, cancel this Lease. In addition, the Postal Service may proportionally abate the rent for any period the premises, or any part thereof, are determined by the Postal Service to have been rendered unavailable to it by reason of such condition.

The Landlord hereby indemnifies and holds harmless the Postal Service and its officers, agents, representatives, and employees from all claims, loss, damage, actions, causes of action, expense, fees and/or liability resulting from, brought for, or on account of any violation of this clause.

The remainder of this clause applies if this Lease is for premises not previously occupied by the Postal Service.

By execution of this Lease the Landlord certifies:

a. the property and improvements are free of all contamination from petroleum products or any hazardous/toxic or unhealthy materials or substances, including friable asbestos materials, as defined by applicable State or Federal law;
b. there are no undisclosed underground storage tanks or associated piping, ACBM, radon, lead-based paint, or lead piping or solder in drinking water systems, on the property; and

c. it has not received, nor is it aware of, any notification or other communication from any governmental or regulatory entity concerning any environmental condition, or violation or potential violation of any local, state, or federal environmental statute or regulation, existing at or adjacent to the property.

a. By executing this Lease, the Landlord certifies that it does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not and will not permit its employees to perform services at any location under its control where segregated facilities are maintained.

ITEM FOR COUNCIL CONSIDERATION:
Consideration of the approval of a resolution authorizing the execution of a Joint Cooperation Agreement between the City of Richfield and Hennepin County for participation in the Urban Hennepin County Community Development Block Grant Program, 2018-2020.

EXECUTIVE SUMMARY:
Every three years, the City of Richfield executes a Joint Cooperation Agreement (JCA) with Hennepin County that allows it to receive federal Community Development Block Grant (CDBG) entitlement funding. The JCA automatically renews every three years; however, Hennepin County is proposing several changes that require the City Council to approve a revised JCA. The new JCA will cover the years 2018-2020.

The two main additions to the 2018-2020 JCA include:
- Clarification of Affirmatively Furthering Fair Housing requirements, including that cooperating units may lose some or all CDBG funding if they fail to comply with fair housing requirements.
- Creation of a process for pooled, competitive funding awards for public service activities.

RECOMMENDED ACTION:
By motion: Approve a resolution authorizing the execution of a Joint Cooperation Agreement between the City of Richfield and Hennepin County for participation in the Urban Hennepin County Community Development Block Grant Program, 2018-2020.

BASIS OF RECOMMENDATION:

A. HISTORICAL CONTEXT
Hennepin County is proposing the following changes to the JCA for 2018-2020:
- Clarification of Affirmatively Furthering Fair Housing requirements. In 2014, Hennepin County was required to review its programming efforts in light of fair housing and produce an Analysis of Impediments (AI) to fair housing. An amendment to this AI was required in 2016. A consultant was hired and presented its findings to Hennepin County in the spring of 2017. Hennepin County, as a HUD grantee, must provide oversight to its cooperating units (in this case, the City of Richfield). The JCA revisions require cities to comply with fair housing requirements or lose some or all CDBG funding.
• Creation of a process for pooled, competitive funding awards for public service activities. The cities currently issue their own Request for Proposals and select service providers to receive awards. Many of the providers receive awards from multiple cities; therefore, consolidating all public service funds into one pool will simplify program administration. City staff anticipate having continued input into the award process.

B. POLICIES (resolutions, ordinances, regulations, statutes, etc):
• All CDBG-funded activities must meet one of three national objectives: 1) benefiting low- and moderate-income persons, 2) preventing or eliminating slums and/or blight, or 3) meeting an urgent need. In addition, activities must be consistent with priorities identified in the County’s Consolidated Plan. Those priorities include a variety of housing activities, such as housing rehabilitation, public services to maintain or increase self-sufficiency, and neighborhood revitalization activities.
• The JCA ensures the ongoing opportunity to fund CDBG programs and projects in Richfield, including the Deferred Loan and New Home programs.

C. CRITICAL TIMING ISSUES:
• The resolution approving the JCA and executed copies of the JCA must be returned to Hennepin County by July 20, 2017.

D. FINANCIAL IMPACT:
• CDBG funds are federal funds awarded to the City through Hennepin County. Failure to approve the JCA will result in the City losing its CDBG funding.
• The City was awarded $244,979 in CDBG funds for Federal Fiscal Year 2017.

E. LEGAL CONSIDERATION:
• A certified resolution is required to approve the JCA.

ALTERNATIVE RECOMMENDATION(S):
• Council may choose to not adopt the resolution.

ATTEST:

Elizabeth VanHoose, City Clerk
ITEM FOR COUNCIL CONSIDERATION:
Consideration of the approval of an amendment to the 2016-2017 agreement between the City of Richfield and the City of Bloomington for Public Health Emergency Preparedness Services.

EXECUTIVE SUMMARY:
The City of Richfield has had a Public Health Emergency Preparedness contract with the City of Bloomington to provide public health emergency preparedness services on Richfield's behalf for over thirteen years. The Richfield City Council approved of this annual contract for 2016-2017 on October 5, 2016.

The City received additional federal funding for on-going public health preparedness operations for 2016-2017 in the amount of $6,179 and desires to use this additional funding to continue to purchase Public Health Emergency Preparedness from the City of Bloomington under the terms and conditions of the original agreement.

RECOMMENDED ACTION:
By Motion: Approve an amendment to the 2016-2017 agreement between the City of Richfield and the City of Bloomington in the amount of $6,179 to be used to continue purchasing Public Health Emergency Preparedness Services under the terms and conditions of the original agreement.

BASIS OF RECOMMENDATION:

A. HISTORICAL CONTEXT
   ✷ On occasion, the State of Minnesota has amended our Public Health Emergency Preparedness grant monies with additional small amounts of money. This has not happened with any frequency, but the amount of $6,179 is being added for the grant work that Richfield will receive in 2016-2017 and desires the additional funding to be used to continue purchasing services from the City of Bloomington.

B. POLICIES (resolutions, ordinances, regulations, statutes, etc):
   ✷ The City of Richfield became a Local Public Health Agency (LPHA) in 1977, which makes the City eligible to receive these grant funds to use in the development of a public health emergency response system specific to Richfield and its needs.

C. CRITICAL TIMING ISSUES:
• These funds are part of a nationwide effort by the Federal government to respond to serious public health emergencies, to include threats of bioterrorism.

D. **FINANCIAL IMPACT:**
• Funds being used are those given to Richfield as an LPH agency, from the federal government, to develop a system responding to public health emergency preparedness and bioterrorism threats.

E. **LEGAL CONSIDERATION:**
• The City must comply with the requirements of the grant in order to receive grant funds.
• The City Attorney has reviewed the contents of the contract and has approved it.

**ALTERNATIVE RECOMMENDATION(S):**
• The City Council could decide not to approve an amendment to the contract they originally approved on October 5, 2016 and not accept an additional $6,179 in funding that would go the City of Bloomington via that contract. This would mean that the City would lose the additional grant funds.

ITEM FOR COUNCIL CONSIDERATION:
Public hearing and consideration of the second reading of a transitory ordinance vacating 17th Avenue street right-of-way adjacent to the proposed Plaza 66 commercial development. This hearing was continued from June 13, 2017.

EXECUTIVE SUMMARY:
InterState Development (the Developer) is proposing a multi-tenant commercial building along 66th Street, between 16th Avenue and Richfield Parkway. The Developer has purchase agreements in place for all properties within the project boundary and is requesting the vacation of the right-of-way immediately adjacent. The right-of-way under consideration for vacation is approximately 200 feet in length and contains a portion of 17th Avenue that utilizes about 2/3 of this area prior to coming to a dead end. This dead-ended road currently provides access to two homes at 6608 and 6614 17th Avenue. These properties and the right-of-way are proposed to be incorporated into the development and there will no longer be a public need for the street right-of-way.

RECOMMENDED ACTION:
Conduct and close the public hearing and by motion: Approve a second reading of a transitory ordinance vacating 17th Avenue street right-of-way adjacent to the proposed Plaza 66 commercial development (approx. 66th Street and 17th Avenue).

BASIS OF RECOMMENDATION:

A. HISTORICAL CONTEXT
- In the past, 17th Avenue offered a direct connection to 66th Street. Construction of the Richfield Parkway roundabout eliminated that connection over 10 years ago. The area proposed to be vacated currently serves only two homes and those homes will be removed as part of the proposed project.
- There are utilities within the right-of-way. Drainage and utility easements must be dedicated in the proposed plat. Approval of this vacation shall be contingent upon this dedication.

B. POLICIES (resolutions, ordinances, regulations, statutes, etc):
- The Council may by ordinance vacate a street, alley, public grounds or a part thereof, on its own motion or upon the petition of the owners of half of the land abutting the street, alley, public
grounds or part thereof, to be vacated.

- The Housing and Redevelopment Authority is the owner of more than 50% of the land abutting the right-of-way and approved a petition requesting the vacation on May 15, 2017.
- No vacation may be made unless it appears to be in the interest of the public to do so.
- Easements for identified utilities and drainage must be dedicated in the plat.
- The Council approved a first reading of a draft transitory ordinance on May 24, 2017. Changes to the ordinance were made for clarity at the recommendation of the City Attorney.

C. CRITICAL TIMING ISSUES:

- **60-DAY RULE:** The 60-day clock 'started' on April 10, 2017 when a complete application was received. The city has notified the applicant that it is extending the deadline for a decision by an additional 60 days. A decision must be made by August 8, 2017.

D. FINANCIAL IMPACT:

- The required application fee has been paid.

E. LEGAL CONSIDERATION:

- Notice of the public hearing was published in the Sun Current Newspaper, as required.
- Mailed notice was sent to properties within 350 feet of the proposed vacation.
- The City Attorney has reviewed the proposed vacation and transitory ordinance.

Sec. 2: The Street Easement is not required for access to the abutting properties.

Sec. 3: The following public facilities are located in the Street Easement: water main, storm sewer, sanitary sewer and there is a continuing public need for easement for drainage and utility purposes over the Street Easement area.

Sec. 4: The City has notified the service providers for gas, electric, telephone, and cable communications services of the proposed vacation; the following facilities are reported to be located in the Street Easement: gas, electric, cable.

Sec. 5: The Council finds that there is not a public need for the Street Easement.

Sec. 6: The Street Easement is vacated conditioned upon the dedication of drainage and utility (gas, electric, cable) easements in the final plat for Plaza 66 in Richfield.
Sec. 8: The vacation of the Street Easement is effective immediately following the recording of a final plat for Plaza 66 in Richfield or 30 days following publication of this Ordinance, whichever is later.

Sec. 9: The City Clerk is directed to prepare a certificate of completion of vacation proceedings and to record the vacation in the office of the Hennepin County Registrar of Titles or Hennepin County Recorder, as appropriate.

Passed by the City Council of the City of Richfield, Minnesota this 27th day of June, 2017.

ITEM FOR COUNCIL CONSIDERATION:
Consideration of the approval of the second reading of an ordinance abolishing the Police Civil Service Commission; repealing Subsection 305.05 of the City Code that creates a joint Police and Fire Civil Service Commission; adopting a new Subsection 305.05 to continue the Fire Civil Service Commission; and rescinding the Resolution dated October 29, 1945 creating a police civil service commission in the Village of Richfield.

EXECUTIVE SUMMARY:
For more than 70 years, the Richfield Police Department’s hiring and promotional processes have been governed by a Police Civil Service Commission and Rules and Regulations promulgated by the Commission and approved by the City Council. The Commission’s Rules include strict guidelines and processes for hiring and promotions that are based on requirements mandated by state law. State law allows for very little flexibility in how these processes are carried out.

In March 2017, the City of Richfield initiated a Promotional Process Improvement and Diverse Recruitment Study. The study was conducted by Attorney and Consultant Michelle Soldo of Soldo Consulting, P.C. Ms. Soldo is an expert in the area of employment and labor law and has advised other Minnesota cities on civil service related issues. As a result of the study, Ms. Soldo’s primary recommendation was that the City should consider abolishing the Police Civil Service Commission. Her recommendation is based on the following factors:

1. The Civil Service form of governance was implemented by state law in the early 1930s and its original objective was to separate hiring and firing of officers from Council and local politics. This concern is no longer prevalent given that the City has subject matter experts – a City Manager, human resource professionals, labor attorneys, and unions – to carry out these duties;
2. Richfield is one of only 17 Minnesota cities still utilizing a Police Civil Service Commission, which further signals the decline of this form of governance;
3. The Commission is comprised of community members who typically have not had professional background or expertise in police department recruitment, hiring, and promotions;
4. The role of the Commission has been greatly reduced over the years as the Rules delegate many of the functions to the Police Chief and discipline and terminations are governed by Union contracts; and
5. The most important reason for the recommendation is that if the Commission is not abolished,
the City cannot participate in diversity-focused Officer hiring programs because of the constraints placed on the City by State civil service laws and the Commission’s Rules.

For all of these reasons, staff is recommending that the City Council abolish the Police Civil Service Commission of the City of Richfield. The action requires unanimous approval by the City Council. If the Council approves the action, it would not impact the Fire Civil Service Commission, which would continue.

**RECOMMENDED ACTION:**
By Motion: Approve the second reading of an ordinance abolishing the Police Civil Service Commission; repealing Subsection 305.05 of the City Code that creates a joint Police and Fire Civil Service Commission; adopting a new Subsection 305.05 to continue the Fire Civil Service Commission; and rescinding the Resolution dated October 29, 1945 creating a police civil service commission.

**BASIS OF RECOMMENDATION:**

**A. HISTORICAL CONTEXT**
- Provided in Executive Summary.

**B. POLICIES (resolutions, ordinances, regulations, statutes, etc):**
- Subsection 305.05 of the City Code must be repealed to abolish the Police Civil Service Commission and a new subsection adopted to continue the Fire Civil Service Commission.
- Minnesota Statutes Section 419.16 requires a unanimous vote of the City Council to abolish the Police Civil Service Commission.

**C. CRITICAL TIMING ISSUES:**
- After the Police Civil Service Commission is abolished, the Police Department will be able to participate in diversity-focused hiring programs similar to other cities in the metropolitan area.
- Ms. Soldo will be preparing a second report outlining her recommendations for future promotional processes as soon as possible to complete the scope of her consultation work. The content of this second report will depend upon the Council’s action to abolish or preserve the Police Civil Service Commission.

**D. FINANCIAL IMPACT:**
- Staff time and resources spent on organizing and attending Commission meetings, as well as managing Commission-related issues will no longer be necessary.

**E. LEGAL CONSIDERATION:**
- The Council may abolish the Police Civil Service Commission by unanimous vote. The Joint Police and Fire Civil Service Commission was established by subsection 305.05 of the City Code. Subsection 305.01 of the City Code states the Council may eliminate a Commission by adopting a resolution or ordinance rescinding the resolution or ordinance establishing the Commission.

**ALTERNATIVE RECOMMENDATION(S):**
- The Council could decline to abolish the Police Civil Service Commission and direct staff to begin the process of overhauling the Commission’s rules so that they are consistent with existing practices. Not abolishing the Commission would prevent the City from participating in diversity-focused hiring programs.
