| Item #1 | COMPREHENSIVE PLAN UPDATE |

Assistant Community Development Director Poehlman introduced Lance Bernard, Senior Associate Planner, and Joe Lampe, Planner/Analyst, from SRF Consulting, the consultant assisting the City with the comprehensive plan update. Mr. Bernard provided an overview of what the comprehensive plan is and how updates are driven by regional policies, shared the plan element requirements, and gave a recap of the public engagement and what has been done with the feedback received. Mr. Bernard went into further detail of a market analysis being done at the 66th Street and Nicollet Avenue area, including ideas for the area and design guidelines that will be developed. He also discussed the Parks Master Plan as part of this process. Lastly, a schedule was provided for the next steps of the process with plan adoption in August 2018.

Item #2  AFFORDABLE HOUSING STRATEGIES

Community Development Director Stark introduced the topic and stated this is a continuing discussion since April.

Housing Manager Urban presented tools and strategies for naturally occurring affordable housing (NOAH) and shared progress the City has completed since July. She presented a work plan for immediate action of: defining goals; developing a NOAH preservation policy; incorporating NOAH policies into comprehensive plan update; applying NOAH preservation strategies to projects receiving HRA/City assistance that include affordable housing; meet with owners/landlords to solicit feedback; identify NOAH housing and those buildings at risk; expand the Kids @ Home program; and create a pilot apartment rehab financing program. She also provided a work plan for potential items for 2018 that included: advanced notice period for sale of rental housing/help preservation buyers buy at-risk buildings; prohibit Section 8 discrimination; require 60-day notice to tenants; just cause evictions/non-renewal; building permit fee reductions; and inclusionary housing ordinance.

Members of the Council, HRA, and Planning Commission commented and asked questions about integrating affordable housing, maintaining and improving NOAH, supporting cost-burdened renters, improving quality affordable housing without displacing residents, using land use policy to drive the market, ensuring the City has strong legal standing to pass items because property owners have rights as well, and support for different policies/ordinances that were discussed during the presentation.

ITEM FOR COUNCIL CONSIDERATION:
Consideration of the renewal of the Public Health and Environmental Health Mutual Aid Agreement.

EXECUTIVE SUMMARY:
The Public Health and Environmental Health Mutual Aid Agreement is designed to strengthen the preparedness of the public health system in Minnesota. It was last approved by the Council in late 2011. This new agreement will be effective from January 1, 2018 - December 31, 2022.

Minnesota State Statues Section 471.59 states that political subdivisions of the State of Minnesota may jointly and cooperatively exercise powers common to each of the contracting parties. In 2006, a total of eleven political subdivisions met and cooperatively prepared a Public Health Mutual Aid Agreement between them to strengthen the preparedness of the public health system in Minnesota. This mutual aid agreement was originally approved by the Richfield City Council in January 2007.

Emergencies may occur in the future which will require local public health entities to come to the aid and assistance of other local public health entities. Therefore, the intent of the agreement is to make personnel, equipment and other resources available to other participants in the event of an emergency, training, drill and/or exercise.

RECOMMENDED ACTION:
By Motion: Approve a Public Health and Environmental Health Mutual Aid Agreement.

BASIS OF RECOMMENDATION:

A. HISTORICAL CONTEXT
   - It should be noted that Richfield does not have its own personnel staffing the food inspection area of Richfield but rather contracts with the City of Bloomington for these services. Nonetheless, from a legal standpoint, they would like Richfield's individual approval of the agreement.
   - Hennepin County is proposing renewal of it once again with the agreement in effect from January 1, 2018 and terminating December 31, 2022. City Attorney Mary Tietjen has reviewed the document and approved its contents.

B. POLICIES (resolutions, ordinances, regulations, statutes, etc):
   - It is recognized and acknowledged that in certain situations, including but not limited to, natural
disasters, public health emergencies, technological hazards, man-made disasters, civil emergencies, community disorders, insurgency or enemy attack, or training, drills or exercises in preparation for any of these eventualities, the use of personnel, equipment, supplies and/or services of a local public health entity to perform functions outside its jurisdictional limits is desirable and necessary to preserve and protect the health, safety and welfare of the citizens of the State of Minnesota.

C. CRITICAL TIMING ISSUES:
- This new agreement must be approved and forwarded to Hennepin County before December 31, 2017, so that the City can continue to participate in the mutual aid agreement.

D. FINANCIAL IMPACT:
- N/A

E. LEGAL CONSIDERATION:
- The City Attorney has reviewed this agreement and approved its contents.

ALTERNATIVE RECOMMENDATION(S):
- The Council could decide not to approve the agreement. This would mean that Richfield could not depend on counties or cities within the seven county metro area to provide public health or environmental health mutual aid to Richfield in the event it was needed.

WHEREAS, pursuant to Minnesota Statutes Section 471.59, governmental units of the State of Minnesota may jointly and cooperatively exercise powers common to each of the contracting parties; and

WHEREAS, the purpose of this Agreement is to strengthen the preparedness of the public health and environmental health system in Minnesota; and

WHEREAS, emergencies may occur in the future which will require local public health and/or environmental health entities to come to the aid and assistance of other local public health or environmental health entities; and

WHEREAS, the Parties participating in this Agreement have determined that it is in their best interests to assist one another in the event of an emergency, training, drill or exercise; and

WHEREAS, the intent of this Agreement is to make personnel, equipment, and other resources available to governmental units in the event of an emergency, training, drill or exercise.

NOW, THEREFORE, in consideration of the foregoing, the Parties agree as follows:

I. PURPOSE

In certain situations, including but not limited to, natural disasters, public health emergencies, technological hazards, man-made disasters, civil emergencies, community disorders, insurgency or enemy attack, disease outbreaks, or special events, or trainings, drills or exercises in preparation for any of these eventualities, the cooperative use of the personnel, equipment, supplies and/or services of local governmental units is desirable and necessary to preserve and protect the health, safety and welfare of the citizens of the State of Minnesota.

This Agreement only addresses assistance provided by a Participating party in response to a request made by a Requesting party and does not affect the applicability of Minn. Stat. § 12.331, Minn. Stat. § 12.33, or other pertinent laws to other activities that may be undertaken by a political subdivision.
The Parties to this Agreement intend that the Agreement serve as a valid written agreement for mutual aid as required by FEMA in requesting reimbursement for those reasonable eligible costs incurred as a result of a qualifying emergency.

H. “Assistance” means Public Health, Environmental Health, Behavioral Health, or Human Services resources, such as personnel, services, equipment, supplies, and facilities.

III. PROVISION OF MUTUAL AID

A. Request for Assistance. Whenever, in the opinion of a Requesting Official, there is a need for Assistance from other Participating parties relating to an Incident, the Requesting Official may, orally or in writing, call upon the Assisting Official of any other Participating party to furnish assistance. The Requesting party, within a reasonable period of time, shall provide each Assisting party with a written confirmation of the need for assistance including details regarding requested resources, timelines/schedules and location(s) for Assistance.

B. Response to Request. Upon the oral or written request for Assistance from a Requesting party, the Assisting Official may authorize and direct the Participating party’s personnel to provide assistance to the Requesting party. This decision will be made after considering the needs of the Assisting party and the availability of resources. Once Assistance has been authorized, the Assisting party, within a reasonable period of time, shall provide the Requesting party with a written confirmation of assistance including details regarding the personnel and resources to be provided and when they will be available.

C. Recall and Release of Assistance. The Assisting Official may at any time recall such Assistance when in his or her sole discretion or by an order from the governing body of the Assisting party or its designee, it is considered to be in the best interest of the Assisting party to do so. The Requesting party may at any time release an Assisting party or an individual from providing any further Assistance.

D. State Declared Emergency. If the State of Minnesota or an authorized state agency declares an emergency, the statutes and administrative rules pertaining to state declared emergencies shall prevail where they conflict with the provisions of this Agreement.

E. Command and Control. The Requesting party shall be responsible for command of the Incident for which Assistance is requested. Resources deployed by the Assisting party(s) shall be under the direction and control of the Requesting party until the Assisting Official(s) withdraw assistance; or the Requesting party delegates direction and control of the Incident to the Assisting party(s). If direction and control is delegated, the Requesting party shall transfer command in writing. At a minimum, the writing transferring command shall identify the Assisting party’s scope of authority and Incident objectives. As necessary, it shall also identify pertinent legal and policy restraints, cost considerations, and other pertinent information.

This Agreement does not prevent Participating parties from managing an Incident under a unified incident command structure, as that term, or a similar term, is used and commonly accepted in the industry.
IV. LIABILITY

The liability of the Parties shall be governed by the provisions herein and by Minnesota Statute Section 471.59.

A. For purposes of determining total liability for damages, the Parties are considered a single governmental unit and the total liability for all Parties shall not exceed the limits on governmental liability for a single governmental unit, subject to the limits of liability under Minnesota Statutes Chapter 466 and as set forth in Minnesota Statutes, Section 471.59, subd. 1a(a) as well as all other applicable laws, rules, and regulations, including common law. Under no circumstances shall a Party be required to pay on behalf of itself and other Parties, any amounts in excess of the limits on liability established in Minnesota Statutes Chapter 466 applicable to any one Party. The statutory limits of liability for some or all of the Parties may not be added together or stacked to increase the maximum amount of liability for any Party.

B. Each Party requesting Assistance shall defend, indemnify and hold harmless each Party providing Assistance, its Employees, officers and elected and appointed officials against any and all claims brought or actions filed against the Party providing Assistance and its Employees for injury to, death of, or damage to the property of any third person or persons, for claims arising from performance hereunder and/or the provision of Assistance in responding to a request for Assistance pursuant to this Agreement.

C. For purposes of Minnesota Statutes Chapter 466, the Employees of the Party providing Assistance are deemed to be employees (as defined in Minn. Stat. § 466.01, subdivision 6) of the Party requesting Assistance, but only for purposes of addressing liability under this Agreement. The Employees of the Party providing Assistance shall not be considered employees of the Party requesting Assistance for any other purpose.

D. Each Participating party agrees to promptly notify the other Participating parties if it knows or becomes aware of any facts or allegations reasonably giving rise to actual or potential liability, claims, causes of action, judgments, damages, losses, costs or expenses, including attorney’s fees, involving or reasonably likely to involve the other Parties, and arising out of acts or omissions related to this Agreement.

E. No Party to this Agreement or any Employee of any Party shall be liable to any other Party or to any other person for failure of any Party to furnish Assistance to any other Party, or for recalling or releasing Assistance as described in this Agreement.
F. If a Party utilizes contractors or agents to provide services or Assistance under this Agreement, the Party shall execute a contract with any such contractor(s) and agent(s) including, to the extent practicable, the following language:

“CONTRACTOR shall defend, indemnify, and hold harmless (insert name of Party/jurisdiction), its officials, officers, agents, volunteers and employees from any liability, claims, causes of action, judgments, damages, losses, costs, or expenses, including reasonable attorney’s fees, resulting directly or indirectly from any act or omission of the CONTRACTOR, a subcontractor, anyone directly or indirectly employed by them, and/or anyone for whose acts and omissions they may be liable in the performance of the services required by this Contract, and against all loss by reason of the failure of the CONTRACTOR to perform fully, in any respect, all obligations under this contract.

In order to protect the CONTRACTOR and those listed above under the indemnification provision, the CONTRACTOR agrees at all times during the term of this Contract, and beyond such term when so required, to have and keep in force the following insurance coverages, in amounts equal at least to the municipal tort liability limits of Minnesota Statutes Chapter 466 or other applicable law as currently in effect or as may be amended from time to time, unless specific dollar limits are otherwise provided herein:

3. Professional Liability—Per Claim and Aggregate
The professional liability insurance must be maintained continuously for a period of two years after the termination of this Agreement.

An umbrella or excess policy over primary liability insurance coverages is an acceptable method to provide the required insurance limits.

The above establishes minimum insurance requirements. It is the sole responsibility of the CONTRACTOR to determine the need for and to procure additional insurance which may be needed in connection with this contract. Copies of insurance policies shall be promptly submitted to (insert name of Party/jurisdiction) upon written request.

The CONTRACTOR shall not commence work until it has obtained required insurance. The certificate(s) shall name (insert name of Party/jurisdiction) as the certificate holder and as an additional insured for the liability coverage(s) with respect to operations covered under the Contract.

Duty to Notify. Each Party, to the extent a Party is at fault, shall be responsible for damages to or loss of its equipment, supplies and facilities while acting within the scope of this Agreement.

VII. CHARGES TO THE REQUESTING PARTY

A. No charges will be levied by a Assisting party to this Agreement for Assistance rendered to a Requesting party under the terms of this Agreement unless that Assistance continues for a period of more than eight (8) hours, as measured from the time Assisting party begins to provide Assistance after being specifically directed by the Requesting party to perform a task or tasks, unless the Requesting party is eligible to obtain reimbursement for expenses it incurred during this period from the United States, the State of Minnesota, or any other source. In that event the Requesting party shall take all steps necessary to seek reimbursement to the Assisting party for the actual cost of any Assistance provided during this initial eight (8) hour period including salaries, overtime, materials and supplies, and other necessary expenses.

B. If Assistance provided under this Agreement continues for more than eight (8) hours, the Assisting party shall submit to the Requesting party an itemized bill for the actual cost of any Assistance provided after the initial eight (8) hour period, including salaries, overtime, materials and supplies and other necessary expenses; and the Requesting party shall reimburse the Party providing the Assistance for that amount. Any such reimbursement request must be submitted in writing to the Requesting party no later than ninety (90) days after the last day that the Assisting party provides the assistance.

C. The ability to levy such charges is not contingent upon the availability of federal or state government funds to reimburse the charges.

VIII. DURATION

This Agreement will become effective as to each Party on the later of the date that the Party executes this Agreement or January 1, 2018, and shall terminate December 31, 2022, unless terminated sooner pursuant to section XI herein. Copies of the executed Agreement shall be provided to:

B. CONTRACTOR shall not assign, transfer or pledge this Agreement and/or the services to be performed, whether in whole or in part, nor assign any monies due or to become due to it without the prior written consent of COUNTY. A consent to assign shall be subject to such conditions and provisions as COUNTY may deem necessary, accomplished by execution of a form prepared by COUNTY and signed by CONTRACTOR, the assignee and COUNTY. Permission to assign, however, shall under no circumstances relieve CONTRACTOR of its liabilities and obligations under the Agreement.
C. CONTRACTOR shall not subcontract this Agreement and/or the services to be performed, whether in whole or in part, without the prior written consent of COUNTY. Permission to subcontract, however, shall under no circumstances relieve CONTRACTOR of its liabilities and obligations under the Agreement. Further, CONTRACTOR shall be fully responsible for the acts, omissions, and failure of its subcontractors in the performance of the specified contractual services, and of person(s) directly or indirectly employed by subcontractors. Contracts between CONTRACTOR and each subcontractor shall require that the subcontractor's services be performed in accordance with this Agreement. CONTRACTOR shall make contracts between CONTRACTOR and subcontractors available upon request. For clarification and not limitation of the provisions herein, none of the following constitutes assent by COUNTY to a contract between CONTRACTOR and a subcontractor, or a waiver or release by COUNTY of CONTRACTOR's full compliance with the requirements of this Section: (1) COUNTY's request or lack of request for contracts between CONTRACTOR and subcontractors; (2) COUNTY's review, extent of review or lack of review of any such contracts; or (3) COUNTY's statements or actions or omissions regarding such contracts.

14. DEFAULT AND CANCELLATION/TERMINATION

A. If CONTRACTOR fails to perform any of the provisions of this Agreement, fails to administer the work so as to endanger the performance of the Agreement or otherwise breaches or fails to comply with any of the terms of this Agreement, it shall be in default. Unless CONTRACTOR's default is excused in writing by COUNTY, COUNTY may upon written notice immediately cancel or terminate this Agreement in its entirety. Additionally, failure to comply with the terms of this Agreement shall be just cause for COUNTY to delay payment until CONTRACTOR's compliance. In the event of a decision to withhold payment, COUNTY shall furnish prior written notice to CONTRACTOR.

B. For purposes of this subsection, "Data" means any data or information, and any copies thereof, created by CONTRACTOR or acquired by CONTRACTOR from or through COUNTY pursuant to this Agreement, including but not limited to handwriting, typewriting, printing, photocopying, photographing, facsimile transmitting, and every other means of recording any form of communication or representation, including electronic media, email, letters, works, pictures, drawings, sounds, videos, or symbols, or combinations thereof.

(3) Except to the extent required by law or as agreed to by COUNTY, CONTRACTOR shall not retain any Data that are confidential, protected, privileged, not public, nonpublic, or private, as those classifications are determined pursuant to applicable law. In addition, CONTRACTOR shall, upon COUNTY's request, certify destruction of any Data so specified by COUNTY.

C. Notwithstanding any provision of this Agreement to the contrary, CONTRACTOR shall remain liable to COUNTY for damages sustained by COUNTY by virtue of any breach of this Agreement by CONTRACTOR. Upon notice to CONTRACTOR of the claimed breach and the amount of the claimed damage, COUNTY may withhold any payments to CONTRACTOR for the purpose of set-off until such time as the exact amount of damages due COUNTY from CONTRACTOR is determined. Following notice from COUNTY of the claimed breach and damage, CONTRACTOR and COUNTY shall attempt to resolve the dispute in good faith.

D. The above remedies shall be in addition to any other right or remedy available to COUNTY under this Agreement, law, statute, rule, and/or equity.

E. COUNTY's failure to insist upon strict performance of any provision or to exercise any right under this Agreement shall not be deemed a relinquishment or waiver of the same, unless consented to in writing. Such consent shall not constitute a general waiver or relinquishment throughout the entire term of the Agreement.

F. This Agreement may be canceled/terminated with or without cause by either party upon thirty (30) day written notice.

G. CONTRACTOR has an affirmative obligation, upon written notice by COUNTY that this Agreement may be suspended or cancelled/terminated, to follow reasonable directions by COUNTY, or absent directions by COUNTY, to exercise a fiduciary obligation to COUNTY, before incurring or making further costs, expenses, obligations or encumbrances arising out of or related to this Agreement.

ITEM FOR COUNCIL CONSIDERATION:
Consideration of the approval of a resolution authorizing the refunding of the $4,550,000 G.O. Capital Improvement Plan Bonds, Series 2009A, dated January 14, 2009 with the $3,205,000 G.O. Capital Improvement Plan Refunding Bonds, Series 2017B.

EXECUTIVE SUMMARY:
At the September 26, 2017 City Council meeting, the City Council passed a resolution authorizing the refunding of the $4,550,000 G.O. Capital Improvement Plan Bonds, Series 2009A with the $3,205,000 G.O. Capital Improvement Plan Refunding Bonds, Series 2017B.

The Series 2009A were one of two bonds issued to finance the Richfield Municipal Center. The Series 2017B issue includes financing to advance refund the Series 2009A bonds for interest savings. The refunding is expected to reduce interest expense by approximately $326,257, a reduced par amount of the bonds of $3,205,000, and the minimum net present value savings required by Minnesota state law will still be exceeded.

The type of refunding being presented is an Advance Crossover refunding. In an Advance Crossover refunding, bonds are issued in advance of a specified call date. The proceeds of the refunding issue are invested in government securities and held in escrow. The money in the escrow is used to pay interest on the new issue until the call date. At the call date, the remaining funds in the escrow are then used to redeem/call the old bonds. At this time, the City “crosses over” and begins to make the payments on the new, refunding bonds.

Accordingly, the Series 2017B bonds are being issued to provide funds sufficient for an advance crossover refunding on February 1, 2019. The par amount of the Series 2009A to be called on the call date is $2,950,000.

Bids on the 2017B General Obligation Refunding Bonds are due in the offices of Ehlers & Associates, Inc. on Monday, November 20, 2017. A representative from Ehlers & Associates, Inc. will be at the City Council meeting to recommend the successful bidder and review attached documents, and provide information that is absent from the resolution and available only after the bidding on the bonds has closed.

Following Ehlers & Associates, Inc. recommendation it would be appropriate for the City Council to award the
RECOMMENDED ACTION:

By motion: Approve the attached resolution awarding the sale of General Obligation Bonds, Series 2017B, in the original aggregate principal amount of $3,205,000; fixing their form and specifications; directing their execution and delivery; providing for their payment; providing for the escrowing and investment of the proceeds thereof; providing for the redemption of bonds refunded thereby; and rescinding a prior resolution of the City.

BASIS OF RECOMMENDATION:

A. HISTORICAL CONTEXT

- As part of the construction and financing of the Richfield Municipal Center, the City issued the $4,550,000 G.O. Capital Improvement Plan Bonds, Series 2009A.
- As interest rates continue to be at low levels, the City’s Municipal Advisor, Ehlers & Associates, Inc. has recommended a bond refunding of the Series 2009A bonds to take advantage of the low interest rates and realize interest savings.

B. POLICIES (resolutions, ordinances, regulations, statutes, etc):

- None

C. CRITICAL TIMING ISSUES:

- The sale of the refunding bonds at this time will allow the City to take advantage of the low interest rates and realize interest savings.

D. FINANCIAL IMPACT:

- On the basis of Ehlers & Associates, Inc. review, it appears that the current interest rate climate makes it feasible to refund the Series 2009A bonds.
- The current outstanding principal balance of the Series 2009A bonds is $3,375,000. The City will continue to make principal and interest payments up to and on the crossover date.
- The $3,205,000 G.O. Refunding Bonds, Series 2017B are being issued to provide funds for an advance crossover refunding of the City’s G.O. Capital Improvement Plan Bonds, Series 2009A on February 1, 2019. The par amount of the Series 2009A bonds at that date will total $2,950,000.
- It is estimated that this refunding under current rates would reduce the debt service costs of paying this debt by an estimated $326,257.
- The savings expressed in present value terms is approximately 9.764% of the refunded principal or $288,034. The minimum savings required by Minnesota state law for a refunding is a present value savings or at least 3.00%.
- The bonds are being issued for a 12-year period; this does not extend the term of the original issue. The maturity date of the new refunding issue will be the same as the two current outstanding issues.

E. LEGAL CONSIDERATION:

- Legal Counsel has reviewed the resolution.

ALTERNATIVE RECOMMENDATION(S):

- Disregard the current refunding option, continue to retire the bonded debt as presently scheduled, and forego the projected savings.

PRINCIPAL PARTIES EXPECTED AT MEETING:

Brian Reilly, Ehlers & Associates, Inc.

1.05. Optional Redemption. The City may elect on February 1, 2026, and on any day thereafter to prepay Bonds due on or after February 1, 2027. Redemption may be in whole or in part and if in part, at the option of the City and in such manner as the City will determine. If less than all Bonds of a maturity are called for redemption, the City will notify DTC (as defined in Section 8 hereof) of the particular amount of such maturity to be prepaid. DTC will determine by lot the amount of each participant’s interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. Prepayments will be at a price of par plus accrued interest.

[1.08. Mandatory Redemption; Term Bond. To be completed if Term Bonds are requested by the Purchaser.]
Section 2.  Registration and Payment.

2.01.  Registered Form.  The Bonds will be issued only in fully registered form.  The interest thereon and, upon surrender of each Bond, the principal amount thereof, is payable by check or draft issued by the Registrar described herein.

2.02.  Dates; Interest Payment Dates.  Each Bond will be dated as of the last interest payment date preceding the date of authentication to which interest on the Bond has been paid or made available for payment, unless (i) the date of authentication is an interest payment date to which interest has been paid or made available for payment, in which case the Bond will be dated as of the date of authentication, or (ii) the date of authentication is prior to the first interest payment date, in which case the Bond will be dated as of the date of original issue.  The interest on the Bonds is payable on February 1 and August 1 of each year, commencing February 1, 2018, to the registered owners of record thereof as of the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day.

2.03.  Registration.  The City will appoint a bond registrar, transfer agent, authenticating agent and paying agent (the “Registrar”).  The effect of registration and the rights and duties of the City and the Registrar with respect thereto are as follows:

   (a) Register.  The Registrar must keep at its principal corporate trust office a bond register in which the Registrar provides for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

   (b) Transfer of Bonds.  Upon surrender for transfer of a Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar will authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor.  The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until that interest payment date.

   (c) Exchange of Bonds.  When Bonds are surrendered by the registered owner for exchange the Registrar will authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity as requested by the registered owner or the owner’s attorney in writing.

   (d) Cancellation.  Bonds surrendered upon transfer or exchange will be promptly cancelled by the Registrar and thereafter disposed of as directed by the City.

   (e) Improper or Unauthorized Transfer.  When a Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the Bond until the Registrar is satisfied that the endorsement on the Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized.  The Registrar will incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

   (f) Persons Deemed Owners.  The City and the Registrar may treat the person in whose name a Bond is registered in the bond register as the absolute owner of the Bond, whether the Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on the Bond and for all other purposes, and payments so made to a registered owner or upon
the owner’s order will be valid and effectual to satisfy and discharge the liability upon the Bond to
the extent of the sum or sums so paid.

(g) **Taxes, Fees and Charges.** The Registrar may impose a charge upon the owner
thereof for a transfer or exchange of Bonds sufficient to reimburse the Registrar for any tax, fee or
other governmental charge required to be paid with respect to the transfer or exchange.

(h) **Mutilated, Lost, Stolen or Destroyed Bonds.** If a Bond becomes mutilated or is
destroyed, stolen or lost, the Registrar will deliver a new Bond of like amount, number, maturity date
and tenor in exchange and substitution for and upon cancellation of the mutilated Bond or in lieu of
and in substitution for any Bond destroyed, stolen or lost, upon the payment of the reasonable
expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed,
stolen or lost, upon filing with the Registrar of evidence satisfactory to it that the Bond was
destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar an
appropriate bond or indemnity in form, substance and amount satisfactory to it and as provided by
law, in which both the City and the Registrar must be named as obligees. Bonds so surrendered to
the Registrar will be cancelled by the Registrar and evidence of such cancellation must be given to
the City. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for
redemption in accordance with its terms it is not necessary to issue a new Bond prior to payment.

(i) **Redemption.** In the event any of the Bonds are called for redemption, notice thereof
identifying the Bonds to be redeemed will be given by the Registrar by mailing a copy of the
redemption notice by first class mail (postage prepaid) to the registered owner of each Bond to be
redeemed at the address shown on the registration books kept by the Registrar and by publishing the
notice if required by law. Failure to give notice by publication or by mail to any registered owner, or
any defect therein, will not affect the validity of the proceedings for the redemption of Bonds. Bonds
so called for redemption will cease to bear interest after the specified redemption date, provided that
the funds for the redemption are on deposit with the place of payment at that time.

2.04. **Appointment of Initial Registrar.** The City appoints Bond Trust Services Corporation,
Roseville, Minnesota, as the initial Registrar. The Mayor and the City Manager are authorized to execute and
deliver, on behalf of the City, a contract with the Registrar. Upon merger or consolidation of the Registrar
with another corporation, if the resulting corporation is a bank or trust company authorized by law to conduct
such business, the resulting corporation is authorized to act as successor Registrar. The City agrees to pay the
reasonable and customary charges of the Registrar for the services performed. The City reserves the right to
remove the Registrar upon thirty (30) days’ notice and upon the appointment of a successor Registrar, in
which event the predecessor Registrar must deliver all cash and Bonds in its possession to the successor Registrar
and must deliver the bond register to the successor Registrar. On or before each principal or interest
due date, without further order of the City Council, the Finance Manager must transmit to the Registrar
moneys sufficient for the payment of all principal and interest then due.

2.05. **Execution, Authentication and Delivery.** The Bonds will be prepared under the direction of
the Finance Manager and executed on behalf of the City by the signatures of the Mayor and the City
Manager, provided that those signatures may be printed, engraved or lithographed facsimiles of the originals.
If an officer whose signature or a facsimile of whose signature appears on the Bonds ceases to be such officer
before the delivery of a Bond, that signature or facsimile will nevertheless be valid and sufficient for all
purposes, the same as if the officer had remained in office until delivery. Notwithstanding such execution, a
Bond will not be valid or obligatory for any purpose or entitled to any security or benefit under this resolution
unless and until a certificate of authentication on the Bond has been duly executed by the manual signature of
an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be
signed by the same representative. The executed certificate of authentication on a Bond is conclusive
evidence that it has been authenticated and delivered under this resolution. When the Bonds have been so prepared, executed and authenticated, the City Manager will deliver the same to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser is not obligated to see to the application of the purchase price.

2.06. Temporary Bonds. The City may elect to deliver in lieu of printed definitive Bonds one or more typewritten temporary Bonds in substantially the form set forth in EXHIBIT B attached hereto with such changes as may be necessary to reflect more than one maturity in a single temporary bond. Upon the execution and delivery of definitive Bonds the temporary Bonds will be exchanged therefor and cancelled.

Section 3. Form of Bond.

3.01. Execution of the Bonds. The Bonds will be printed or typewritten in substantially the form set forth in EXHIBIT B.

3.02. Approving Legal Opinion. The City Manager is authorized and directed to obtain a copy of the proposed approving legal opinion of Kennedy & Graven, Chartered, Minneapolis, Minnesota, which is to be complete except as to dating thereof and cause the opinion to be printed on or accompany each Bond.

Section 4. Payment; Security; Pledges and Covenants.

4.01. Debt Service Fund. The Bonds are payable from the General Obligation Capital Improvement Plan Refunding Bonds, Series 2017B Debt Service Fund (the “Debt Service Fund”) hereby created. The Debt Service Fund shall be administered by the Finance Manager as a bookkeeping account separate and apart from all other funds maintained in the official financial records of the City. There is hereby pledged and irrevocably appropriated and there will be credited to the Debt Service Fund: (i) any balance remitted to the City upon the termination of the Escrow Agreement (hereinafter defined); (ii) collection of all taxes hereafter levied for the payment of the Bonds and interest thereon (the “Taxes”); (iii) amounts over the minimum purchase price paid by the Purchaser, to the extent designated for deposit in the Debt Service Fund in accordance with Section 1.03 hereof; (iv) all investment earnings on funds in the Debt Service Fund; and (v) any and all other moneys which are properly available and are appropriated by the City Council to the Debt Service Fund. The amount of any surplus remaining in the Debt Service Fund when the Bonds and interest thereon are paid will be used as provided in Section 475.61, subdivision 4 of the Act.

4.02. Escrow Fund. A portion of the proceeds of the Bonds in the amount of $__________ will be deposited in a separate fund (the “Escrow Fund”) maintained by U.S. Bank National Association, in Saint Paul, Minnesota, acting as escrow agent (the “Escrow Agent”). Such funds will be received by the Escrow Agent and applied to fund the Escrow Fund or to pay costs of issuing the Bonds. Proceeds of the Bonds deposited to the Escrow Fund and not used to pay costs of issuance on the Bonds are hereby irrevocably pledged and appropriated to the Escrow Fund, together with all investment earnings thereon. The Escrow Fund will be invested in securities maturing or callable at the option of the holder on such dates and bearing interest at such rates as will be required to provide sufficient funds, together with any cash or other funds retained in the Escrow Fund, to (i) pay the interest on the Callable Maturities of the Prior Bonds to and including the Redemption Date; and (ii) pay on the Redemption Date the principal amount of the Callable Maturities of the Prior Bonds. The Escrow Fund will be irrevocably appropriated to the payment of the principal of and interest on the Prior Bonds until the proceeds of the Bonds therein are applied to prepayment of the Prior Bonds. The moneys in the Escrow Fund will be used solely for the purposes herein set forth and for no other purpose, except that any surplus in the Escrow Fund may be remitted to the City, all in
accordance with the Escrow Agreement between the City and the Escrow Agent. Any moneys remitted to the City upon termination of the Escrow Agreement will be deposited in the Debt Service Fund.

4.03. **Prior Debt Service Fund.** The debt service fund heretofore established for the Prior Bonds pursuant to the resolution authorizing the issuance and sale of the Prior Bonds (the “Prior Resolution”) shall be terminated on the Redemption Date, following the redemption of the Prior Bonds, and all monies therein shall be transferred to the Debt Service Fund herein created.

4.04. **General Obligation Pledge.** For the prompt and full payment of the principal of and interest on the Bonds, as the same respectively become due, the full faith, credit and taxing powers of the City will be and are hereby irrevocably pledged. If the balance in the Escrow Fund or Debt Service Fund is ever insufficient to pay all principal and interest then due on the Bonds and any other bonds payable therefrom, the deficiency will be promptly paid out of monies in the general fund of the City which are available for such purpose, and such general fund may be reimbursed with or without interest from the Escrow Fund or Debt Service Fund when a sufficient balance is available therein.

4.05. **Pledge of Tax Levies.**

(a) To provide moneys for payment of the principal and interest on the Bonds, there is hereby levied a direct annual irrepealable ad valorem tax upon all of the taxable property in the City which will be spread upon the tax rolls and collected with and as part of other general taxes of the City. Such Taxes will be credited to the Debt Service Fund above provided and will be in the years and in the amounts attached hereto as EXHIBIT C.

(b) The tax levies are such that if collected in full they, together with estimated collections of investment earnings (and until the Redemption Date, of all amounts in the Escrow Fund) and other revenues herein pledged for the payment of the Bonds, will produce at least five percent (5%) in excess of the amount needed to meet when due the principal and interest payments on the Bonds. The tax levies will be irrepealable so long as any of the Bonds are outstanding and unpaid, provided that the City reserves the right to reduce the levies in the manner and to the extent permitted by Section 475.61, subdivision 3 of the Act.

4.06. **Cancellation of Prior Levy after Redemption Date.** Following the payment in full of all outstanding principal of and interest on the Prior Bonds on the Redemption Date, the Finance Manager is hereby directed to certify such fact to and request the Taxpayer Services Division Manager of Hennepin County, Minnesota (the “Taxpayer Services Division Manager”) to cancel any and all tax levies made for the Prior Bonds pursuant to the Prior Resolution.

4.07. **Certification to Taxpayer Services Division Manager as to Debt Service Fund Amount.** It is determined that the estimated collection of the foregoing Taxes will produce at least five percent (5%) in excess of the amount needed to meet when due the principal and interest payments on the Bonds. The tax levy herein provided will be irrepealable until the Bonds are paid, provided that at the time the City makes its annual tax levies the Finance Manager may certify to the Taxpayer Services Division Manager the amount available in the Debt Service Fund to pay principal and interest due during the ensuing year, and the Taxpayer Services Division Manager will thereupon reduce the levy collectible during such year by the amount so certified.

4.08. **Certificate of Taxpayer Services Division Manager as to Registration.** The City Manager is authorized and directed to file a certified copy of this resolution with the Taxpayer Services Division Manager and to obtain the certificate required by Section 475.63 of the Act.
Section 5. Refunding; Findings; Redemption of Prior Bonds.

5.01. Purpose of Refunding. The Callable Maturities of the Prior Bonds will be called for redemption on the Redemption Date in the principal amount of $2,950,000. It is hereby found and determined that based upon information presently available from the City’s municipal advisor, the issuance of the Bonds, the proceeds of which will be used to refund the Prior Bonds, is consistent with covenants made with the holders of the Prior Bonds and will result in a reduction of debt service or interest cost to the City.

5.02. Findings. It is hereby found and determined that based upon information presently available from the City’s municipal advisor, the issuance of the Bonds will result in a reduction of debt service cost to the City on the Prior Bonds, such that the present value of such debt service or interest cost savings (the “Reduction”) is at least three percent (3%) of the debt service on the Prior Bonds. The Reduction, after the inclusion of all authorized expenses of refunding in the computation of the effective interest rate on the Bonds, is adequate to authorize the issuance of the Bonds as provided by Section 475.67, subdivision 12 of the Act.

5.03. Proceeds Pledged to the Escrow Fund. As of the date of delivery of and payment for the Bonds, proceeds of the Bonds in the amount of $__________ are hereby pledged and appropriated and will be deposited in the Escrow Fund for the purposes of (i) paying interest on the Callable Maturities of the Prior Bonds to and including the Redemption Date; and (ii) paying the outstanding principal amount of the Callable Maturities of the Prior Bonds on the Redemption Date. Proceeds of the Bonds in the amount of $__________ will be deposited in the Escrow Fund to pay the costs of issuance of the Bonds.

5.04. Securities to Fund Escrow Fund. Securities, if any, purchased from the moneys in the Escrow Fund will be limited to securities specified in Section 475.67, subdivision 8 of the Act. Ehlers & Associates, Inc., and/or U.S. Bank National Association as agent for the City, is hereby authorized and directed to purchase for and on behalf of the City and in its name, appropriate securities to fund the Escrow Fund. Upon the issuance and delivery of the Bonds, the securities so purchased will be deposited with the Escrow Agent and held pursuant to the terms of the Escrow Agreement and this resolution.

5.05. Notices of Call for Redemption. The Prior Bonds maturing after the Redemption Date will be redeemed and prepaid on the Redemption Date in accordance with their terms and in accordance with the terms and conditions set forth in the form of Notice of Call for Redemption attached hereto as EXHIBIT D, which terms and conditions are hereby approved and incorporated herein by reference. The registrar for the Prior Bonds is authorized and directed to send a copy of the Notice of Call for Redemption to each registered holder of the Prior Bonds.

5.06. Escrow Agreement. On or prior to the delivery of the Bonds, the Mayor and the City Manager are hereby authorized and directed to execute on behalf of the City an escrow agreement (the “Escrow Agreement”) with the Escrow Agent in substantially the form now on file with the City Clerk. All essential terms and conditions of the Escrow Agreement, including payment by the City of reasonable charges for the services of the Escrow Agent, are hereby approved and adopted and made a part of this resolution, and the City covenants that it will promptly enforce all provisions thereof in the event of default thereunder by the Escrow Agent.

Section 6. Authentication of Transcript.

6.01. City Proceedings and Records. The officers of the City are authorized and directed to prepare and furnish to the Purchaser and to the attorneys approving the Bonds, certified copies of proceedings and records of the City relating to the Bonds and to the financial condition and affairs of the City, and such
other certificates, affidavits and transcripts as may be required to show the facts within their knowledge or as shown by the books and records in their custody and under their control, relating to the validity and marketability of the Bonds, and such instruments, including any heretofore furnished, will be deemed representations of the City as to the facts stated therein.

6.02. Certification as to Official Statement. The Mayor, the City Manager, and the Finance Manager are authorized and directed to certify that they have examined the Official Statement prepared and circulated in connection with the issuance and sale of the Bonds and that to the best of their knowledge and belief the Official Statement is a complete and accurate representation of the facts and representations made therein as of the date of the Official Statement.

6.03. Other Certificates. The Mayor, the City Manager, and the Finance Manager are hereby authorized and directed to furnish to the Purchaser at the closing such certificates as are required as a condition of sale. Unless litigation shall have been commenced and be pending questioning the Bonds or the organization of the City or incumbency of its officers, at the closing the Mayor, the City Manager, and the Finance Manager shall also execute and deliver to the Purchaser a suitable certificate as to absence of material litigation, and the Finance Manager shall also execute and deliver a certificate as to payment for and delivery of the Bonds.

6.04. Payment of Costs of Issuance. Costs of issuance of the Bonds will be paid by the Escrow Agent pursuant to the Escrow Agreement.

Section 7. Tax Covenant.

7.01. Tax-Exempt Bonds. The City covenants and agrees with the holders from time to time of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Bonds to become subject to taxation under the Internal Revenue Code of 1986, as amended (the “Code”), and the Treasury Regulations promulgated thereunder, in effect at the time of such actions, and that it will take or cause its officers, employees or agents to take, all affirmative action within its power that may be necessary to ensure that such interest will not become subject to taxation under the Code and applicable Treasury Regulations, as presently existing or as hereafter amended and made applicable to the Bonds.

7.02. Rebate. The City will comply with requirements necessary under the Code to establish and maintain the exclusion from gross income of the interest on the Bonds under Section 103 of the Code, including without limitation requirements relating to temporary periods for investments, limitations on amounts invested at a yield greater than the yield on the Bonds, and the rebate of excess investment earnings to the United States.

7.03. Not Private Activity Bonds. The City further covenants not to use the proceeds of the Bonds or to cause or permit them or any of them to be used, in such a manner as to cause the Bonds to be “private activity bonds” within the meaning of Sections 103 and 141 through 150 of the Code.

6.04. Not Qualified Tax-Exempt Obligations. The Bonds are not designated as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code.

7.05. Procedural Requirements. The City will use its best efforts to comply with any federal procedural requirements which may apply in order to effectuate the designations made by this section.
Section 8. Book-Entry System; Limited Obligation of City.

8.01. DTC. The Bonds will be initially issued in the form of a separate single typewritten or printed fully registered Bond for each of the maturities set forth in Section 1.04 hereof. Upon initial issuance, the ownership of each Bond will be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York, and its successors and assigns (“DTC”). Except as provided in this section, all of the outstanding Bonds will be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC.

8.02. Participants. With respect to Bonds registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, the City, the Registrar and the Paying Agent will have no responsibility or obligation to any broker dealers, banks and other financial institutions from time to time for which DTC holds Bonds as securities depository (the “Participants”) or to any other person on behalf of which a Participant holds an interest in the Bonds, including but not limited to any responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant or any other person (other than a registered owner of Bonds, as shown by the registration books kept by the Registrar), of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any Participant or any other person, other than a registered owner of Bonds, of any amount with respect to principal of, premium, if any, or interest on the Bonds. The City, the Registrar and the Paying Agent may treat and consider the person in whose name each Bond is registered in the registration books kept by the Registrar as the holder and absolute owner of such Bond for the purpose of payment of principal, premium and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bonds, and for all other purposes. The Paying Agent will pay all principal of, premium, if any, and interest on the Bonds only to or on the order of the respective registered owners, as shown in the registration books kept by the Registrar, and all such payments will be valid and effectual to fully satisfy and discharge the City’s obligations with respect to payment of principal of, premium, if any, or interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of Bonds, as shown in the registration books kept by the Registrar, will receive a certificated Bond evidencing the obligation of this resolution. Upon delivery by DTC to the City Manager of a written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the words “Cede & Co.” will refer to such new nominee of DTC; and upon receipt of such a notice, the City Manager will promptly deliver a copy of the same to the Registrar and Paying Agent.

8.03. Representation Letter. The City has heretofore executed and delivered to DTC a Blanket Issuer Letter of Representations (the “Representation Letter”) which will govern payment of principal of, premium, if any, and interest on the Bonds and notices with respect to the Bonds. Any Paying Agent or Registrar subsequently appointed by the City with respect to the Bonds will agree to take all action necessary for all representations of the City in the Representation Letter with respect to the Registrar and Paying Agent, respectively, to be complied with at all times.

8.04. Transfers Outside Book-Entry System. In the event the City, by resolution of the City Council, determines that it is in the best interests of the persons having beneficial interests in the Bonds that they be able to obtain Bond certificates, the City will notify DTC, whereupon DTC will notify the Participants, of the availability through DTC of Bond certificates. In such event the City will issue, transfer and exchange Bond certificates as requested by DTC and any other registered owners in accordance with the provisions of this resolution. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City and discharging its responsibilities with respect thereto under applicable law. In such event, if no successor securities depository is appointed, the City will issue and the Registrar will authenticate Bond certificates in accordance with this resolution and the provisions hereof will apply to the transfer, exchange and method of payment thereof.
8.05. **Payments to Cede & Co.** Notwithstanding any other provision of this resolution to the contrary, so long as a Bond is registered in the name of Cede & Co., as nominee of DTC, payments with respect to principal of, premium, if any, and interest on the Bond and all notices with respect to the Bond will be made and given, respectively in the manner provided in DTC’s Operational Arrangements, as set forth in the Representation Letter.

Section 9. **Continuing Disclosure.**

9.01. **Execution of Continuing Disclosure Certificate.** “Continuing Disclosure Certificate” means that certain Continuing Disclosure Certificate executed by the Mayor and the City Manager and dated the date of issuance and delivery of the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

9.02. **City Compliance with Provisions of Continuing Disclosure Certificate.** The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this resolution, failure of the City to comply with the Continuing Disclosure Certificate is not to be considered an event of default with respect to the Bonds; however, any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations under this section.

Section 10. **Defeasance.** When all Bonds and all interest thereon have been discharged as provided in this section, all pledges, covenants and other rights granted by this resolution to the holders of the Bonds will cease, except that the pledge of the full faith and credit of the City for the prompt and full payment of the principal of and interest on the Bonds will remain in full force and effect. The City may discharge all Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full. If any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued to the date of such deposit.

Registered Owner: Cede & Co.

The City of Richfield, Minnesota, a duly organized and existing municipal corporation in Hennepin County, Minnesota (the “City”), acknowledges itself to be indebted and for value received hereby promises to pay to the Registered Owner specified above or registered assigns, the principal sum of $__________ on the maturity date specified above, with interest thereon from the date hereof at the annual rate specified above (calculated on the basis of a 360 day year of twelve 30 day months), payable February 1 and August 1 in each year, commencing February 1, 2018, to the person in whose name this Bond is registered at the close of business on the fifteenth day (whether or not a business day) of the immediately preceding month. The interest hereon and, upon presentation and surrender hereof, the principal hereof are payable in lawful money of the United States of America by check or draft by Bond Trust Services Corporation, Roseville, Minnesota, as Bond Registrar, Paying Agent, Transfer Agent and Authenticating Agent, or its designated successor under the Resolution described herein. For the prompt and full payment of such principal and interest as the same respectively become due, the full faith and credit and taxing powers of the City have been and are hereby irrevocably pledged.

The City may elect on February 1, 2026, and on any day thereafter to prepay Bonds due on or after February 1, 2027. Redemption may be in whole or in part and if in part, at the option of the City and in such manner as the City will determine. If less than all Bonds of a maturity are called for redemption, the City will notify The Depository Trust Company (“DTC”) of the particular amount of such maturity to be prepaid. DTC will determine by lot the amount of each participant’s interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. Prepayments will be at a price of par plus accrued interest.

This Bond is one of an issue in the aggregate principal amount of $3,205,000 all of like original issue date and tenor, except as to number, maturity date, redemption privilege, and interest rate, all issued pursuant to a resolution adopted by the City Council on November 20, 2017 (the “Resolution”), for the purpose of providing money to refund in advance of maturity a portion of certain general obligation bonds of the City, pursuant to and in full conformity with the home rule charter of the City and the Constitution and laws of the State of Minnesota, including Minnesota Statutes, Chapter 475, as amended, specifically Section 475.67, subdivisions 4 through 12, as amended. The principal hereof and interest hereon are payable from ad valorem taxes, as set forth in the Resolution to which reference is made for a full
statement of rights and powers thereby conferred. The full faith and credit of the City are irrevocably pledged for payment of this Bond and the City Council has obligated itself to levy additional ad valorem taxes on all taxable property in the City in the event of any deficiency in taxes pledged, which taxes may be levied without limitation as to rate or amount. The Bonds of this series are issued only as fully registered Bonds in denominations of $5,000 or any integral multiple thereof of single maturities.

This Bond is not a “qualified tax-exempt obligation” within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

As provided in the Resolution and subject to certain limitations set forth therein, this Bond is transferable upon the books of the City at the principal office of the Bond Registrar, by the registered owner hereof in person or by the owner’s attorney duly authorized in writing upon surrender hereof together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or the owner’s attorney; and may also be surrendered in exchange for Bonds of other authorized denominations. Upon such transfer or exchange the City will cause a new Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

The City and the Bond Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the City nor the Bond Registrar will be affected by any notice to the contrary.

ADVANCE REFUNDING ESCROW AGREEMENT

Relating to:

$4,550,000
City of Richfield, Minnesota
General Obligation Capital Improvement Plan Bonds
Series 2009A

THIS ADVANCE REFUNDING ESCROW AGREEMENT, dated December 14, 2017 (the “Agreement”), is made pursuant to Minnesota Statutes, Section 475.67, subdivisions 4 through 12 (the “Act”), and executed by and between the City of Richfield, Minnesota (the “City”) and U.S. Bank National Association, Saint Paul, Minnesota, a national banking association (the “Escrow Agent”):

WITNESSETH: That the parties hereto recite and, in consideration of the mutual covenants contained herein, covenant and agree as follows:

1. The City previously issued its General Obligation Capital Improvement Plan Bonds, Series 2009A (the “Prior Bonds”), dated January 14, 2009, in the original aggregate principal amount of $4,550,000, currently outstanding in the aggregate principal amount of $3,375,000, of which $2,950,000 in principal amount is subject to redemption on or after February 1, 2019. Pursuant to a resolution adopted by the City Council of the City on November 20, 2017 (the “Resolution”), the City has provided for the issuance of its General Obligation Capital Improvement Plan Refunding Bonds, Series 2017B (the “Refunding Bonds”), in the original aggregate principal amount of $3,205,000. On the date hereof, a portion of the proceeds of the Refunding Bonds will be deposited with the Escrow Agent to be used to defease, redeem, and prepay a portion of the Prior Bonds and to pay costs of issuance of the Refunding Bonds.

2. The City, in accordance with the Resolution, issued and sold the Refunding Bonds in the original aggregate principal amount of $3,205,000 and has received proceeds of the Refunding Bonds in the amount of $________ (par amount of the Refunding Bonds of $3,205,000, [plus original issue premium of $______], [less original issue discount of $______], less underwriter’s discount of $______). The City has deposited proceeds of the Refunding Bonds in the amount of $________ to the Escrow Account (as defined herein), to be allocated as follows: (i) the amount of $________ shall be invested in securities which are general obligations of the United States, securities whose principal and interest payments are guaranteed by the United States (the “Federal Securities”), as described in the schedule which is attached hereto, marked EXHIBIT A and made a part hereof; (ii) the amount of $________ shall be an initial cash deposit in the Escrow Account and shall remain uninvested; (iii) the amount of $________ shall be applied by the Escrow Agent to payment of costs of issuance as specified in paragraph 3 hereof; and (iv) $________ shall be disbursed to the City on the date hereof for deposit to the Debt Service Fund established for the Refunding Bonds. The purchased securities and initial cash deposit will be irrevocably deposited with the Escrow Agent on the date of this Agreement. It is understood and agreed that the dates and amounts of payments of principal and interest due on the securities so deposited are as indicated in EXHIBIT B, and that the principal and interest payments due on such securities together with the initial cash deposit are such as to provide the funds required to pay the interest on the 2020 (excluding the interest on the principal due on the 2019 mandatory sinking fund payment date) through 2029 maturities of the Prior Bonds to and including February 1, 2019 (the “Redemption Date”) and to pay the principal of the 2020 (excluding the principal due on the 2019 mandatory sinking fund payment date) through 2029 maturities of the Prior Bonds on the Redemption Date, as stated in the Resolution.
3. The Escrow Agent acknowledges receipt of the Federal Securities described in paragraph 2 hereof and agrees that it will hold such securities in a special escrow account (the “Escrow Account”) created by the Resolution in the name of the City and will collect and receive on behalf of the City all payments of principal of and interest on such securities and will remit from the Escrow Account (i) to the paying agent for the Prior Bonds the funds required to pay the interest on the 2020 (excluding the 2019 mandatory sinking fund payment date) through 2029 maturities of the Prior Bonds to and including the Redemption Date; and (ii) to the paying agent for the Prior Bonds the funds needed for the redemption and prepayment of the outstanding principal amount of the 2020 (excluding the 2019 mandatory sinking fund payment date) through 2029 maturities of the Prior Bonds on the Redemption Date. After provision for payment of the principal of all remaining Prior Bonds, the Escrow Agent will remit any remaining funds in the Escrow Account to the City. Of the amounts deposited with the Escrow Agent, the sum of $__________ shall be used by the Escrow Agent for payment and disbursement of the costs of issuance of the Refunding Bonds as set forth in EXHIBIT C attached hereto. The Escrow Agent shall return the sum of $__________ to the City in the form of a check for deposit to the Debt Service Fund established for the Refunding Bonds.

4. In order to ensure continuing compliance with the Internal Revenue Code of 1986, as amended, and regulations promulgated thereunder (collectively, the “Code”), the Escrow Agent agrees that, except as otherwise provided herein, it will not reinvest any cash received in payment of the principal of and interest on the open-market securities held in the Escrow Account. This prohibition on reinvestment shall continue unless and until an opinion is received by the Escrow Agent from nationally recognized bond counsel that reinvestments in general obligations of the United States or obligations the principal of and interest on which are guaranteed as to payment by the United States, as specified in said opinion, may be made in a manner consistent with the Code. If such obligations are not available, the money may remain uninvested. Reinvestment, if any, of amounts in the Escrow Account made pursuant to this paragraph may be made only in direct obligations of the United States of America which mature prior to the next date on which either principal of or interest on the Prior Bonds is payable.

5. The Escrow Agent expressly waives any lien upon or claim against the moneys and investments in the Escrow Account.

6. If at any time it shall appear to the Escrow Agent that the money in the Escrow Account allocable for such use hereunder will not be sufficient to make any of the payments set forth in paragraph 3 due to the holders of any of the Prior Bonds, the Escrow Agent shall immediately notify the City. The City thereupon shall forthwith deposit in the Escrow Account from funds on hand and legally available to it such additional funds as may be required to meet fully the amount to become due and payable. The City acknowledges its obligation to levy ad valorem taxes on all taxable property in the City to the extent required to produce moneys necessary for this purpose. The City and the Escrow Agent acknowledge receipt of a verification report from __________________________ __, certified public accountants, of even date herewith, to the effect that such cash and securities are sufficient to comply with the requirements of the Act.

7. The City will not repeal or amend the Resolution which calls the Prior Bonds for redemption on the Redemption Date. The Escrow Agent shall cause the Notice of Call for Redemption attached hereto as EXHIBIT D to be mailed not less than sixty (60) days prior to the Redemption Date of the Prior Bonds to the paying agent for the Prior Bonds for the purpose of giving notice not less than thirty (30) days prior to the Redemption Date to the registered owners of the Prior Bonds to be redeemed, at their addresses appearing in the bond register and also to the bank at which the principal of and interest on the Prior Bonds are then payable.

8. The Escrow Agent shall cause the Notice of Defeasance attached hereto as EXHIBIT E to be filed with the Municipal Securities Rulemaking Board within ten (10) business days of the issuance of the Refunding Bonds.
9. Within thirty (30) days of December 31 of each year the Escrow Account is outstanding, the Escrow Agent shall submit to the City a report covering all money it shall have received and all payments it shall have made or caused to be made hereunder during the preceding twelve months. Such report shall also list all obligations held in the Escrow Account and the amount of money on hand in the Escrow Account on the last day of December.

10. It is recognized that title to the Federal Securities and money held in the Escrow Account from time to time shall remain vested in the City but subject always to the prior charge and lien thereon of this Agreement and the use thereof required to be made by the provisions of this Agreement. The Escrow Agent shall hold all such money and obligations in a separate special escrow account wholly segregated from all other funds and securities of the Escrow Agent, and shall never commingle such money or securities with other money or securities. It is understood and agreed that the responsibility of the Escrow Agent under this Agreement is limited to the safekeeping and segregation of the funds and securities deposited with it in said escrow account, the collection of and accounting for the principal and interest payable with respect thereto, the reinvestment of certain funds in United States Treasury Obligations, State and Local Government Series with zero interest which are not being held as uninvested cash and the remittance of the funds to the paying agent as provided in this Agreement.

11. This Agreement is made by the City for the benefit of the holders of the Prior Bonds and is not revocable by the City, and the investments and other funds deposited in the Escrow Account and all income therefrom have been irrevocably appropriated for the payment of the principal amount of the 2020 (excluding the 2019 mandatory sinking fund payment date) through 2029 maturities of the Prior Bonds on the Redemption Date and the interest on the 2020 (excluding the 2019 mandatory sinking fund payment date) through 2029 maturities of the Prior Bonds to and including the Redemption Date.

12. This Agreement shall be binding upon and shall inure to the benefit of the City and the Escrow Agent and their respective successors and assigns. In addition, this Agreement shall constitute a third-party beneficiary contract for the benefit of the holders of the Prior Bonds and said third-party beneficiaries shall be entitled to enforce performance and observance by the City and the Escrow Agent of the respective agreements and covenants herein contained as fully and completely as if said third-party beneficiaries were parties hereto. Any bank into which the Escrow Agent may be merged or with which it may be consolidated or any bank resulting from any merger or consolidation to which it shall be a party or any bank to which it may sell or transfer all or substantially all of its corporate trust business shall, if the City approves, be the successor agent without the execution of any document or the performance of any further act.

13. The Escrow Agent hereby certifies that it is a financial institution whose deposits are insured by the Federal Deposit Insurance Corporation and whose capital and surplus is not less than $500,000.

14. The Escrow Agent may at any time resign and be discharged of its obligations hereunder by giving to the City Manager written notice of such resignation not less than sixty (60) days before the date when the same is to take effect, provided that the Escrow Agent shall return to the City the pro rata portion of its fee which is allocable to the period of time commencing on the effective date of such resignation. Such resignation shall take effect upon the date specified in the notice, or upon the appointment and qualification of a successor prior to that date. In the event of such resignation, a successor shall promptly be appointed by the City, and the City Manager shall immediately give written notice thereof to the predecessor escrow agent and publish the notice in the manner described in this paragraph 14. If, in a proper case, no appointment of a successor agent is made within forty-five (45) days after the receipt by the City of notice of such resignation, the Escrow Agent or the holder of any Prior Bond may apply to any court of competent jurisdiction to appoint a successor escrow agent, which appointment may be made by the court after such notice, if any, as
the court may prescribe. Any successor escrow agent appointed hereunder shall execute, acknowledge and deliver to its predecessor escrow agent and to the City a written acceptance of such appointment, and shall thereupon without any further act, deed or conveyance become fully vested with all moneys, properties, duties and obligations of its predecessor, but the predecessor shall nevertheless pay over, transfer, assign and deliver all moneys, securities or other property held by it to the successor escrow agent, shall execute, acknowledge and deliver such instruments of conveyance and do such other things as may reasonably be required to vest and confirm more fully and certainly in the successor escrow agent all right, title and interest in and to any property held by it hereunder. Any bank into which the Escrow Agent may be merged or with which it may be consolidated or any bank resulting from any merger or consolidation to which it shall be a party or any bank to which it may sell or transfer all or substantially all of its corporate trust business shall, if the City approves, be the successor escrow agent without the execution of any document or the performance of any further act.

15. The Escrow Agent acknowledges receipt of the sum of $_________ as its full compensation for its services to be performed under this Agreement.

16. The duties and obligations of the Escrow Agent shall be as prescribed by the provisions of this Agreement and the Escrow Agent shall not be liable hereunder except for failure to perform its duties and obligations as specifically set forth herein or to act in good faith in the performance thereof and no implied duties or obligations shall be incurred by the Escrow Agent other than those specified herein.

17. Any notice, authorization, request or demand required or permitted to be given in accordance with the terms of this Agreement shall be in writing and sent by registered or certified mail addressed:
