Neighbors Helping Neighbors Directory

Your Neighbors Recommend these Contractors!

The City of Richfield's "Neighbors Helping Neighbors" program is a contractor referral network designed to assist residents interested in remodeling, expanding or updating their home. Richfield homeowners who have remodeled their homes recommended the contractors found on this list. It is important that you check recent work references and verify that the contractor is licensed with the proper licensing board. Please contact the contractors to learn the full scope of services offered by each company.

PLEASE NOTE: The City of Richfield and the Richfield Housing and Redevelopment Authority (HRA) do not endorse any of the contractors or businesses listed. The list has been compiled with information provided by Richfield residents who have successfully completed a remodeling project. If you have questions about the list, please contact the Richfield HRA at 612/861-9760.

Category	Contractor	Phone Number
