

Open Streets at Penn Fest 2019

Sunday, September 15, 1:00 – 5:00 pm
Penn Avenue, Richfield
\$250 Fee

Food Vendor APPLICATION

Open Streets at Penn Fest temporarily closes Penn Avenue to car traffic and welcomes community groups, local businesses and vendors to create a fun and festive environment for people to walk, bike, skate and play in the street. This is not a street festival, it is meant to encourage people to explore the Penn Central neighborhood and promote active transportation and healthy living. The event is one mile in length and attractions are spread out along the entire stretch of Penn Ave., creating an active and entertaining environment for all. An estimated 8,000 people attended the event in 2018.

Food Vendors will be charged a fee of **\$250** to have a space at Open Streets at Penn Fest.

A temporary food license through the City of Richfield is REQUIRED for all food vendors.

This is a special license unique to Richfield, more details on page 2.

All vendor applications are due to our office no later than **August 23**. Applicants will be notified via email if they have been approved or denied as a selected vendor.

2019 Open Streets at Penn Fest Food Vendor Guidelines

- For your application to be considered for participation, the following (5) items must be submitted no later than **August 23**:
 1. Completed application
 2. Entry fee (check only, made out to Penn Central) of \$250
 3. ST-19 Form (separate attachment)
 4. Copy of general liability insurance (naming City of Richfield Recreation Department, 7000 Nicollet Avenue, Richfield, MN 55423 as additional insured)
 5. Temporary food license application (separate attachment)
- It is recommended that Food Vendors apply as soon as possible as applications will be accepted on a first come-first considered basis. Completed applications will be reviewed and approved based on need. We try not to duplicate food vendors.
- Completing an application does not guarantee participation in Open Streets at Penn Fest. You will be contacted via email to verify if your application has been approved or denied. If your application is denied, your entry fee check of \$250 will be mailed to the address provided on the application. The Open Streets at Penn Fest Committee reserves the sole right to approve or deny any Food Vendor. **Non-approved Food Vendors will not be allowed on site.**
- Placement along Penn Avenue will be determined by the Open Streets at Penn Fest Committee. Food Vendors will be allowed to start set-up at 11:30am on Sunday, September 15 and must be removed from the street by 6:00pm on Sunday, September 15.
- Event is from 1:00 – 5:00pm. However, Food Vendors have the option of starting to serve at 12:15pm. We thought this would offer you not only additional time to sell but also award our other participating vendors a chance to purchase food/drink from you before the event starts.

Serving from 12:15-5:00pm is optional. If you decide to go this route, please indicate it on your Temporary Food License application and know that you will need to be prepared by 12:15 for your food safety inspection. If you have any questions on this, please discuss with the event supervisor.

- Space assignments are set-up on Penn Avenue. Food Vendors are not allowed to set-up on private property. The size and location of the vendor space that will be assigned to you will be based off of the description you give on your application.
- No vehicles will be allowed to remain on Penn Avenue except for the food vehicle itself. All others must be removed and parked on an adjacent street. No one will be allowed to drive onto Penn Avenue during event hours for restocking or for any other reason.
- Food Vendors are not allowed to share or sublet their space to/with another business or organization. Shared/sublet vendors will be removed from the event, no refund will be given.
- Food Vendors must provide all of their own equipment. Tents need to be secured by weights; stakes may not be driven into the pavement. **Electricity is NOT available! Generators, if needed, must be provided by the vendor.**
- Each Food Vendor is responsible for the clean-up of their assigned area and adjacent property before departing. Food Vendors are required to provide their own trash and recycling receptacles within your unit.
- No grease, cooking water or other food-processing residue may be deposited on or adjacent to Penn Avenue or its sewers.
- Space assignments will be sent by September 10 along with detailed information regarding directions for the day of the event.
- Open Streets at Penn Fest will take place rain or shine. No refunds will be issued because of weather. In the case of inclement weather, decisions will be made by the Open Streets at Penn Fest Committee.
- No other refunds will be issued for any reason.
- **All Food Vendors must provide a copy of their general liability insurance naming City of Richfield Recreation Department, 7000 Nicollet Avenue, Richfield, MN 55423 as additional insured**
 - The amount should be no less than \$1,000,000 per incidence
 - The name of the insured on the certificate of insurance must match the company name listed on the application, NO EXCEPTIONS.
- **All Food Vendors are required to complete a Temporary Food License Application through the City of Richfield by August 23.**
 - Any food vendor with a Department of Agriculture license or who is licensed by the Minnesota Department of Health still needs to apply through the City of Richfield. This enables our own health inspector to know who will be serving food and what the menu will be.
- Health inspectors from Bloomington Public Health will be on site during the event and will ensure that proper food dispensing guidelines are followed.
