

HEATING, VENTILATION AND COOLING CERTIFICATION

BUILDING

The Richfield building code and City Code provide minimum standards for creating an environment of health and safety for all Richfield residents. **PLEASE DO NOT USE AN ALTERNATE FORM.**

Contractor's Name _____ Address _____

License Number _____ Issued By _____

(MUST HAVE CURRENT RICHFIELD CITY LICENSE)

This is to certify that a licensed journeyman/master heating installer, employed by this firm, has inspected the heating system of the dwelling located at:

_____ (Address)

* This inspection reveals that this system is consistent with the code enforcement standards applicable to this jurisdiction. This includes adequate heat supply, proper chimney, proper sealed smokestack, proper manual gas shut-off, draft hood venting, cleaning and servicing. I certify that I am authorized to sign this certification on behalf of the master heating installer,

_____, and that by the signature hereinafter made,

_____, is duly bound under the terms and conditions of the certification.

(Print Company Name)

This certification as to the conditions of the heating system is based upon examination and a **visual** inspection on this date at the address listed above.

I further certify that I have no interest, present or prospective, in the property, buyer, seller, broker, mortgagee or any other party involved in the transaction.

WARNING

Whoever, for the purpose of influencing in any way the action of this office, makes, passes, utters or publishes any statement, knowing the same to be false, shall be turned over to the city attorney for prosecution. Also, the licensing authority and bonding agent for the installer shall be notified for appropriate action.
