

ABOUT THE FRIENDS OF WOOD LAKE

The Friends of Wood Lake was established in 1990 in order to help Wood Lake Nature Center fundraise to supplement the City budget. It was established as a function of the Community Services Commission with liaison positions from the CSC, City Council, and Richfield School Board to ensure smooth communication between all parties with a vested interest in Wood Lake. Proceeds from Friends of Wood Lake fundraising benefit Wood Lake Nature Center's programs, events, and facilities.

DUTIES OF THE FRIENDS OF WOOD LAKE BOARD

Friends of Wood Lake board meetings are held on the **third Thursday of the month, 5:30-6:30 pm, at Wood Lake Nature Center** (typically, there are ten meetings a year). Regular attendance at scheduled board meetings is expected of all board members. Members who miss more than three regularly scheduled meetings in a 12-month period may be removed from the board unless extenuating circumstances can be demonstrated. Members are asked to notify Wood Lake Nature Center in advance of any meetings you are unable to attend. Also, attendance is mandatory at the annual Friends of Wood Lake Dinner on the last Friday in April, and a minimum of two other Nature Center fundraising events, like the Bird-A-Thon (May), Urban Wildland Half Marathon & 5K (August), Half-Haunted Halloween (October), and Candlelight and Ice (December). FOWL Board members are encouraged to help solicit door prizes and sponsorships for events and to invite community members to attend the events. Friends of Wood Lake memberships are a significant fundraising tool and Friends of Wood Lake board members are required to be members. In addition, board members are asked to be a sounding board for new ideas and to help distribute information about the nature center and its issues to their contacts.
