Registration information

Go to: www.cityofrichfield.org or send in the paper form
1. Click "parks and recreation"
2. Click "online registration"
3. Click "browse activities"
4. Under "activity type" select "Arena skate lessons"
5. Under "center" select Richfield ice arena
6. Click "search"

Fee: $85 for Richfield residents or $90 for non-Richfield residents

Returning skaters: Please check your skate school evaluation form to see what class to sign up for so your child is placed correctly.

Skates: Rental skates available for $1.50 during lesson times (discount price) Skating students will receive a pass to 5 open skate sessions. We encourage skaters to buy their own skates. Local shops such as Westwood sports, Strauss and Play it Again Sports sell skates. Skate recommendation: no double runner skates, and we advise skaters under age 5 to use figure skates or a rec skate with a straight blade to make it easier to balance. Skate sharpening is available at Richfield arena, please dry off your blades after each use and use plastic guards when walking around the lobby areas.

About our curriculum:
We utilize the United States Learn to Skate USA program. Professional skating instructors will be teaching this program and enforce proper skating form while using developmentally appropriate activities and exercises for the skaters.

What do I do when I get to the rink?
On the first day, just pick up your color coded name tag at the table and proceed to the ice entrance. The classes have colored coded signs on the boards. You can direct your child as to which color coded class to proceed to. Coaches will be nearby to help the littlest ones to their class. Please no shoes on the ice. It's helpful to have your skater wear their name tag each week and always be 15 minutes early to have time to tie skates, put on helmet, jacket and gloves.

Our skating school is affiliated with the St. Paul figure skating club. See the skating director or visit Stpaulfsc.org for more information on how to join the St. Paul FSC to get more practice time and further advance your skills! Only an annual basic skills membership is required to take academy group classes with the St. Paul fsc. The annual St. Paul Ice Show will be held March 21. There will be NO SUMMER SKATE SCHOOL this year due to the arena construction project. Lessons will resume in September.
