- **Jan 1, 2020**: Rental Assistance begins, if accepted into the program!

What might YOU accomplish in 4 years?

"There is so much I have to say about the Kids @ Home program. My first month into the program I developed short term and long term goals. I was able to purchase a vehicle 2 months into the program. I worked at cleaning up my credit and paying down debt..... I got a better job and in 2 years doubled my annual salary. This is something I thought was impossible!" ~ Program
