Richfield, Minn. (September 8, 2019) – On behalf of the City Council and staff, our thoughts are with the family of the deceased, the officers involved and their families, and our community. The loss of life in any shooting is a tragedy.

We are cooperating with the Hennepin County Sheriff's Office investigation and are committed to a transparent process. We request your patience as the investigation continues.

We are working with our community partners to ensure that our residents and staff receive the support they need during this difficult time, including Oak Grove Lutheran Church, our schools, Hennepin County, and mental health professionals.
